Bridal Q & A

This guide is designed to answer the most common bridal beauty questions I receive. My goal is to help you feel calm, confident, and radiant throughout your wedding journey.
Each bride who books with me receives a complimentary 6-month bridal skincare ebook - a practical, easy-to-follow outline to help you achieve flawless skin in time for your big day. I'm also available for a free online consultation and ongoing WhatsApp support to guide you every step of the way.

Q: What does the bridal package include?

A: Your package includes a full trial (1.5-2 hours), hair and makeup on the wedding day, lashes, and a personalised touch-up kit. I also create a custom schedule to keep your morning stress-free.

Q: Do you offer skincare advice leading up to the wedding?

A: Yes! Once you've booked, you'll receive a bridal skincare guide I've created specifically for my clients. It's a 6-month outline with expert tips and product suggestions to help you glow from the inside out.

Q: When are you available to do book a trial?

A: Mondays through to Thursdays are available for trials, Fridays to Sundays are allocated for wedding days only.

Q: Do you offer support leading up to the big day?

A: Absolutely. I'm available on WhatsApp throughout your planning journey for any beauty-related questions. Whether it's skincare tweaks, timeline changes, or just reassurance - I'm here.
You'll also have the option to book a free online consultation to chat through any concerns before the big day.

Q: Which products do you use?

A: I use a professional, photo-tested kit curated over years of experience, including Make Up For Ever, MAC Cosmetics, Kryolan, Huda Beauty, and Morphe. These brands are known for their long wear, versatility, and beautiful performance on camera.
My priority is that you feel beautiful - and that your makeup lasts through tears, laughter, and dance floors.

Q: How long does bridal hair and makeup take?

A: The bride's full look takes about 2.5 to 3 hours, depending on the complexity. I always arrive early, set up calmly, and work with a structured timeline so your morning is stress-free.
You won't feel rushed - I want you to enjoy every moment of getting ready.

Q: Can you accommodate my bridal party too?

A: Yes! I offer services for bridesmaids, moms, and guests. If the group is large or time is limited, I can bring a trusted second artist to keep the timeline on track.
Every person in your bridal party will feel taken care of - and look amazing in photos.

Q: How do I secure my booking?

A: A 50% retainer and signed contract secure your date. This ensures that I can dedicate the full day to you and you alone - no rushing off to another client.
I believe in giving each bride my full care, time, and energy.

The nitty gritty...

These T&Cs are here so we both feel secure, aligned, and excited heading into your special day. I promise - it's not scary stuff. Just good communication that keeps everything smooth and stress-free.

Bookings & Payments

- To confirm your booking, a booking fee is required. This reserves your date exclusively and ensures I don't accept other work that day. It also covers the time and admin that go into prepping for your wedding.
- The booking fee is non-refundable, but I'm happy to chat if something unexpected happens - life happens!
- Once your booking is confirmed, we'll finalise your quote and number of services. I ask that any changes (like cancelling a bridesmaid) be made at least 3 weeks in advance.
- Final payment is due no later than 7 days before your wedding day.
- If someone else is covering the payment, that's fine - but all communication will be directly with you or your planner.

Minimum Booking

For weekend weddings (Saturday/Sunday), a minimum of the bride plus 3 full services (e.g., hair or makeup) is required to secure the day.

On the day

- We'll work out a timeline so everyone's ready in time for photos and ceremony.
- Please make sure everyone having hair done arrives with clean, dry hair.
- I'll need a spot with natural light, a small table and power access.

Trials

- Trials are usually done 2 - 6 weeks before your wedding and on Mondays - Thursdays only.
- The trial is the space to explore and perfect your dream look, so please speak openly if you want anything tweaked.

Cancellations & Postponement

If You Need to Cancel:

- More than 60 days before: No further payment required.
- Within 14 days: Full balance may be payable.

If You Need to Postpone:

- One-time postponement allowed if I'm available on your new date. - No charge if the change is made more than 30 days in advance.
- If I'm unavailable, it will be treated as a cancellation.
- Dates in a new calendar year may be re-quoted.

Unforeseeable Circumstances

If something totally beyond our control happens (natural disasters, illness, pandemics etc.), we'll work together to find a fair solution. The booking fee remains non-refundable, but I'll assist with backup plans or alternatives.

A Note From Me

My aim is simple: I want you to feel incredible on your wedding day - calm, confident, and cared for. This contract just helps us stay on the same page, with trust and transparency at the centre. I've got your back.

THANK YOU SO MUCH! Thank you for making me feel like a princess on the best day of my life. - Elena

Thank you so much for everything you did to make my day so wonderful. You really went above and beyond and I cannot express how grateful I am. - Ashleigh

"I received so many compliments but more importantly, I felt so flawless for the entire day. It was exactly the look I had envisaged - so timeless! Thanks also for your warm and authentic energy on the day" - Geraldine.

Thank you for considering me to be a part of such a special chapter in your life. I believe every bride deserves to feel like the most radiant version of herself — calm, confident, and truly celebrated.
If my work speaks to you, I'd be honoured to create something beautiful together.

Let's Chat, I would love to hear from you !
